**RAINHILL STUDENT ADAM HUGHES IS NOW
STUDYING CREATIVE WRITING AND FILM
STUDIES AT LIVERPOOL JOHN MOORES.**

We spoke to Adam before he left for University about his time at Rainhill and his plans for the future...

How did you feel on your first day as a Year 7 pupil?
I didn't really know what to expect so I didn't really feel a lot.

What clubs and activities did you do whilst at school or Sixth Form?
Although I have not been part of any clubs I have taken part in some opportunities provided like trips. I have enjoyed the atmosphere of being in Sixth Form with friends.

Why did you choose to study at Rainhill Sixth Form?
I chose to come to Sixth Form here because it had small class sizes and it was a small college. It is also close to home.

Who were your favourite members of staff and why?
I haven't got one - all the staff were friendly and supportive. Teachers were always helpful making sure you understood the work.

What advice would you give to Rainhill students?
Pick your subjects carefully - make sure you enjoy them and want to study them in depth. Knowing what you want to do and having a career plan makes it easier.

Why did you choose your course and higher education establishment?
I like writing, I write in my spare time and write for blogs and fan fiction. I want to be an author so I wanted to study better techniques. It is local so I can stay at home.

How did you feel when you knew you had got confirmation of your above choice?
Good - It meant I could have three years studying my subject further and working on my ambition to be an author.

How did your friends and family react when they found out you got in?
Excited for me.

What are you most looking forward to at University or within your related progression route?
Studying my craft.

What are your long term career plans?
To be a published author.
