

FROM RAINHILL TO EDGE HILL

**RAINHILL STUDENT CALLUM MURPHY IS NOW
STUDYING HISTORY AT EDGE HILL
UNIVERSITY.**

We spoke to Callum before he left for University about his time at Rainhill and his plans for the future...

How did you feel on your first day as a Year 7 pupil?
I felt nervous, which I think a lot of people would do but once I got there, got into my form, into my class and met the new teachers and students, I felt better.

Why did you choose to study at Rainhill Sixth Form?
With going to Rainhill High School, I had a lot of friends here and already knew all of the teachers.

Who were your favourite members of staff and why?
Miss Marshall, Dr Pugh and Miss Eaton were all brilliant teachers!

What was the highlight of your time at Sixth Form?
The highlight of my time at Sixth form was achieving the AS grades I needed to carry on into Year 13 and then go to University.

What advice would you give to Rainhill students?
Work hard as A-Levels are much more difficult than GCSEs. You really do need to use the time and resources given to work hard all the way through.

Why did you choose your course and higher education establishment?
I've chosen to go to Edge Hill to achieve a degree so that I can use it to get a good job in the future. I have been on multiple open days and I am impressed by Edge Hill, the facilities and the teaching students have provided.

How did you feel when you knew you had got confirmation of your above choice?
Happy as it means I can study my degree and get a good job in the future.

How did your friends and family react when they found out you got in?
Happy, like me really.

What are you most looking forward to at University or within your related progression route?
University life - I really like Edge Hill and am looking forward to studying there.

What are your long term career plans?
I've not got a fixed career plan in mind, but I know getting a degree will help me to find a really good job and will open lots of doors.
